Pollowers of Rifer and Ratie W. Invest Money Profitably Young Marry, Nana H., and Volley Help the Layers Out-

The Copyright Protest Not Yet Settled, Followers of racing turned out in force at Aqueduct yesterday and seemed well satisfied with their outing, although only two favorites justified public opinion. The blue pencil was in evidence, but it only cleared the atmosphere for speculators without marring the possibilities of good racing. The most noticeable withdrawal

second choice on the strength of private work. Degrett held a good place throughout, and won handsomely by a good length.

A wild plunge on Nana H, to win the fourth race enabled conservative players to get 3 to 1 or better against Katle W. The latter seemed to have a strong call on public form, and after being in a good place throughout she towed the favorite home in rare style. Out of the six colored for the fifth race the Daly gelding Volley was installed as first-choice. Unly a few on the inside put down their money on Mrs. Stuart, and they got practically any odds they saked for, "Pa" Bradley's filly bowled over all the good things comfortably, and showed the way home to Volley and Merry Duke. GALLOPING AT MORRIS PARK. Bequital and One I Love Join the Stake

Horses at the Course. Trainer James G. Rowe, who reached Morris Park late on Thursday afternoon with the Brookdale string, had all his horses out for cantering exercise yesterday. They look to be well forward in condition and move with considerable snap. Requital and One I Love have thickened out, and are pictures of the highmettled racer. Both are in the Withers Stakes,

mettled racer. Both are in the Withers Stakes, to be run next Saturday, when they will meet Hastings and Handspring. On his Gravesond trials the latter holds Hastings safe, but it is a more open question when the Brookdale pair are reckoned with.

Trainer Hyland was not at the track yesterday, and Jockey Griffin directed the gallops of the Blemton lot, Henry of Navarre, Hastings, Keenan, and Dorlan leading the strings in easy moves. Hyland, the "Silent Man." preserves his usual sphinx-like secrecy regarding the one he will start in the Metropolitan, and it is possible both Navarre and Dorlan will earn a five-pound penalty in the Brooklyn Handicap, which may indicate that Dorlan will be the choice if the party think that he can do the trick against Bir Walter, Counter Tenor, and the other dangerous factors.

Walter Rollins sent Sir Walter a mile and a quarter yesterday. He covered the mile in 1:48 and finished in 2:16, with the utmost ease. All the Fleischmann & Son string were out. St. Maxim went three-quarters in 1:19 and Lehman a mile in 1:47, Tobin and Sherlock doing the same distance nearly as fast. Trainer Tucker has the lot in fine trim. He walted until late in the day before sending the horses along, possibly because he intended to try the two-year-olds Haphazard and Cajoler together. They went a half, evidently with racing weights up, in 0:40, Cajoler having the better of it at the end. Nanki Pool, Lazzarone, tialliee, and Counsellor Howe, in the Erie Stable's string, went a mile up the hill in about 2:00. The Morris lot was moved only in slow gallops.

TWO AND FOUR HORSE WHIPS. Spring Outlags of the Tandem and Conch-

ing Clubs. The meet of the Tandem Club yesterday was one of the most picturesque events of the season, for the young whips were models of excellence in spring attire, and the traps and teams were perfect in style and appointments. It was the first meet since the election of T. Suffern Tailer as President, and one of the largest in the two decades of the club's history. The tandems were aligned in the circle before the Casino in 11 210 o'clock. The friends of the drivers who included many women in gay spring attire, crowded the Casino veranda, and

who included many women in gay spring good racing. The most noticeable withdrawal was that of Copyright, but few were disappointed, as the protest hanging over him since Friday is not yet settled. With Copyright out the talent played Charade to even money for the third race, while Capt. T. ruled second choice at 7 to 5. The Daly horse, as usual, went out and died in front, and Charade won galloping at the end.

Three rows of bookmakers were in evidence in the betting enclosure, and they began the day poorly, nearly all the "ciucated" money going on Septour straight and Chugnut for a piace. The horses finished as they were picked. The pencillers, however, had a strong inning in the second race, for which eight two-year-olds went to the post. Form players plunged steadily on Young Harry until 9 to 5 was the best price obtainable. Rifler was a strong second choice on the strength of private work. Doggett held a good place throughout, and won handsomely by a good length.

A wild plunge on Nana H, to win the fourth race enabled convervative players to get 3 to 1 or better against Kathe W. The latter seemed the have a strong call on public form, and after being in a good place throughout she towed the favorite home in rare style. Luncheon was had during the long stop at Rockville Centre, and fresh teams were put on at Flushing, Jamaica, Merrick, and Amityville. The horses had been sent on in advance, and each of the passengers furnished a team and drove a portion of the journey. A number of the Coaching Club members will join Mr. Belmont's guests to-day at the Nursery. The return trip will be made to-morrow over the same route, leaving the farm at 10:30 o'clock in the morning and arriving at the Hotel Brunswick at 5:13 o'clock in the afternoon.

A RATTLING RACE AT FLEETWOOD. Will Gillette, Byland T., and Dan Cupid

The return races in the inter-club series of trotting contests between the road horses of New York and Brooklyn took place yesterday afternoon at Freet wood Park, in the presence of a large crowd of horsemen from both sides of the big bridge. President James Butler's Baron Crisp, winner of the 2:24 race trotted at Parkway one week before, had no trouble in disposing of his two opponents, Pete Curran and James Anderson, in yesterday's race, which gives the cup to Mr. Butier.
In the last heat the son of Baron Wilkes stepped his

The 2.39 race developes a much closer contest, and kept the big crowd, a usesing through four hard fought heats. Capt. GOOD GOLF AT PATERSON. Twelve Pairs Meet in a Mixed Foursome

Paterson golfers were in high feather yesterday, for the new club house was formally opened, and, in the way of sport, an interesting mixed foursome competition decided on the links. An elaborate spread was served after the game in the crub parlors, at which speeches were made by Gov. J. W. Griggs, ex-Judge were made by Gov. J. W. Griggs, ex-Judge Scott, and Col. William Barbour. Among the guests, nearly all of whom followed the players on the links, were: Mrs. R. W. Barbour, Miss Eliza Barbour, Mr. and Mrs. H. Khox. Mrs. William Barbour, Mr. and Mrs. Charles Christle, Mr. and Mrs. Fred Cook, Mrs. William Scott, Miss Scott, the Misses Granam, Mrs. E. Le B. Gardiner, A. R. Turner, Park Commissioner Crosby, Mrs. Crosby, and Messrs, Allen, Sheenan, Boldnot, and Chauman.

Two silver cups were the prizes in the golf match. Each pair played nine holes, the finish being in the following order: Miss A. Barbour and R. Gordon-Miss Graham and A. Graham -- 8 13 10 13 5 5 6 13 5 Miss M. Rutler and H. Gherardt -It was the first mixed four-some of the season for prizes held near New York. CLEVER PERFORMERS AT C. C. N. Y. The Collegians Show Up Well at Berkeley The annual spring field meeting of the College of

the City of New York was held at herkeley recal yesterday afternoon. The institution is rapidly coming to the front in collegiste athletics. The freshmen yesterday were among the first three in every one of the nine events. A good-sleet crowd was present, including many pretty girls, who seemed to be well versed in athletics. As many of the athletic members of the college are all-around athletes they entered in nearly every event, causing much unnecessary delay. It was snot an uncommon occurrence to see a competitor take part in the high jump, broad jump, mile run, and other sprints. Chase finishes were the rule.

The one mile run developed into a stubborn struggle between Bracker and Washer. The former started from scratch. Wagner, who received 50 yards, led the nocession to within 100 yards of the finish. At this point Bracker caught the leader, and for the rest of the distance it was one of the closest contests ever seen at the oval. The boys ran abreast to within five yards of the tage, when Bracker, with an extra effort, won by about three inches. Wagner fell across the mark in a faint, and it was some time before he recovered. The finish of the 220 yard dash also was very close, Grassi winning at the tage by six inches. Two and a fifth seconds was ellipsed off the naif mile running college record, while the time in the 229 yard dash was equalled by Grassi. Summary:
